Brand New Book ***** Print on Demand *****.Do you believe there are invisible forces that control your life? Every word you say, every thought you think, every assumption you make, carries within itself the seed of the demise or the happy fulfillment of your dreams. The universe is undergoing a profound change, meanwhile every 40 seconds a person commits suicide in the world, according to the World Health Organization (WHO). This is a call for action that cannot be ignored. This tragedy speaks of a suffering population worldwide. That pain and suffering is, in large part, the result of having lost the connection to the sacred dimension of existence. Take for example the beautiful life of the comedian, Robin Williams. He was famous, he was wealthy; he made people laugh and forget about their own problems. Meanwhile he was dying inside, crushed by the feeling that life had no hope or value. He had lost the connection to the divine dimension of his reality. Invisible Forces. The Hidden Influences that Make or Break Your Life shows that when we think life is a total waste, it could be just a new beginning. Because life is that sublime dance between the polarities of existence, so you can reacquaint yourself in the delivery and in the trying. And it is in the crisis when you feel overwhelmed, but renewed, because you know that after the dark swirling shadows, the light of the morning, invariably, will bring a new day. In simple language, this book presents a selection of the spiritual and scientific theories currently in vogue. It discusses how the quantum theory is changing our concepts of life, human beings, and the universe. The reader will also...
