The Last Trojan Hero: A Cultural History of Virgil's Aeneid

By Hardie, Philip; Hardie, Phillip

I. B. Tauris, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "In his new book Philip Hardie not only tells the story of Virgil's Aeneid, but also of a significant part of western culture. As one would expect from this author, it is a masterful selection and presentation of the rich material at his command. Pursuing the reception of the central text (which is itself already an instance of reception) leads to intriguing insights into the development of literature, art, science and scholarship from antiquity to the present day. Hardie's unrivalled knowledge of Virgil and of later periods means that one learns as much about the Aeneid itself as about its later reception. A careful selection of relevant examples opens up a number of different perspectives and creates the framework for a comprehensive history of the legacy of this major epic. At the same time, this is such a well-written book that it will be accessible to all kinds of readers, specialist or not: it can enjoyably and rewardingly be read from cover to cover. Anyone interested in the history of epic will benefit from it and (re)discover new friends and old acquaintances."...
