*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, Parenting Children for a Life of Faith: Helping Children Meet and Know God, Rachel Turner, Nurturing children in the Christian faith is a privilege given to all of us whose prime job it is to raise children. God's desire is that our parenting should guide each child to meet and know him, and to live with him every day through to eternity. Parenting Children for a Life of Faith explores how the home can become the primary place in which children are nurtured into the reality of God's presence and love, equipped to access him themselves and encouraged to grow in a two-way relationship with him that will last a lifetime. The basic principle behind the ideas explored is that we need to model for our children what it means to be in a relationship with God rather than just equipping them to know about him - helping our children to be God-connected rather than just God-smart. The material is organised into three parts, which progressively explore: Discipling our children proactively Modelling the reality of being in a relationship with God Tying together truth and experience Connecting children to God's heart Implementing a plan Each chapter includes encouraging true stories and questions to help us reflect on our own experience as we journey together with our children.
