Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Giving children the foundation of the WHY behind numbers and letters in a direct manner is the best way to guarantee that they will grasp the concepts easily and progress rapidly, not only to competency but to excellence and intelligence. Wise parents who want to raise successful children will start at home before kindergarten to give their children a good foundation in mathematical concepts, patterning, and the WHY behind the math. What better gift could a parent give a child? Only parents can turn education around for their children, and they must start at home. Yes, even busy working parents. If I did it with a full-time job and 14 children, anyone can do it. Let me show you how.
