

Stories for Tomorrow an Anthology of Modern Science Fiction

By William Milligan Sloane

Ishi Press, United States, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. All the stories human beings tell are about ourselves. The strangest and most distant corners of the universe throng into this book but it still remains true-all the stories are, at heart, about ourselves, about human beings with human needs and emotions. The places and situations they find themselves in are another matter. The writers have given free rein to the kind of imagination that H. G. Wells showed in his stories and this book shows the direction in which that tradition is now leading. The range of the stories is immense. First Contact, for example, tells how a space-ship from earth encountered for the first time a ship from another, unknown world and how, hanging there in the deeps of space, both were trapped in a terrible dilemma. In total contrast is a story by Ray Bradbury telling, quite simply, how two girls say goodbye to the earth-town they love, the night before they leave to join their fiancées on Mars. Then there is the child, lost in the world because she belongs to another,...
