

Epistemology: A Beginner's Guide

By Robert M. Martin

Oneworld Publications. Paperback. Book Condition: new. BRAND NEW, Epistemology: A Beginner's Guide, Robert M. Martin, Epistemology is the philosophical study of knowledge. Without knowledge, scientific enquiry is meaningless and we can't begin to analyse the world around us. What is knowledge? How do you know you are not dreaming? Should we trust our senses? Presuming no prior experience of philosophy, this book covers everything in the topic from scepticism and possible worlds to Kant's transcendentalism. Clear and readable, Epistemology: A Beginner's Guide is essential reading for students and aspiring thinkers.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.
