Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

MYSTICISM AND THE CREED (CLASSIC REPRINT)

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Mysticism and the Creed* There is no death of works on the Creed, and the names of Caspari and Kattenbusch, of Harnack and Zahn, Burn and McGiffert in recent times, and of Pearson earlier, are enough to show the activity of scholarship. But the works of these authorities are for the most part concerned with the form or history of the Creed, and only secondarily, if at all, with its content and meaning. And it is difficult to find any work in recent days which makes a systematic attempt to state the meaning of the Apostles Creed from a point of view which modern thought has made to be that of the ordinarily well-instructed Christian. In the absence of anything better supplying the demand for such a work the following pages have been written, and are offered with diffidence to those who feel an imperative necessity for reconciling somehow their thought and their feeling in religion. For we are living in a new world. In the half-dozen centuries during which the Apostles Creed was moulded into its present form, the presuppositions of religious philosophy were widely different from those which now prevail. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that...
