Krispy Kreme (KK) is a leading branded retailer and wholesaler of doughnuts and baked goods and has recently been voted one of the most reputable QSR restaurants, despite a poor corporate governance history. KK s business includes the ownership and franchise of KK stores espousing good relationships with employees and the community via a variety of projects. This report analyses KK stakeholder relationships and compares the rhetoric to reality. KK s history consists of company stores, domestic and international franchises plus the supply of doughnut ingredients and machinery.
