Filesize: 7.13 MB

Reviews

Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.
(Harold Spencer)

THE MOUNTAIN HEIGHTS: AND OTHER POEMS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Mountain Heights: And Other Poems The Mountain Heights For years I've loved the mountains With their towering peaks so grand, And wondered if they rose like that At God's supreme command. If the Crow's Nest and the Castle Were shaped like that by chance, Or if the World's Great Architect Designed them in advance. Then as I sat and pondered On God's handiwork anew, The lessons taught by Nature Ever less mysterious grew. For there's little to accomplish Once you've gained the topmost peak; There is seldom real contentment When you reach the goal you seek. Where the mountains rise the highest There are canyons dark and deep; You will find the rocks more treacherous As you near the mountain's peak. So the man that is most brilliant And attains to greatest fame Oft times falls the very lowest When disgrace attacks his name. When a storm blows in the mountains, With its drifting cold and snow, When a thunder storm is breaking O'er this trembling world below, It is on the highest mountain, peak It seems to vent its spite; It is on some lonely pinnacle It breaks with all its might. So it is among us mortals Who are struggling through this life; The man attaining greatest heights Is centre of most strife; While the lowly humble toiler With his duty done each day, Is much happier and contented, Far less apt to go astray. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten...
