ENGINEERING MATHEMATICS-I

Wiley India Pvt Ltd. Paperback. Book Condition: New. Engineering Mathematics is an essential tool for describing and analyzing engineering processes and systems. Mathematics also enables precise representation and communication of knowledge. Engineering Mathematics-I fulfills the need for a book that not only effectively explains the concepts but also aids in visualizing the underlying geometric interpretation. Every chapter has easy to follow explanations of the theory and numerous step-by-step solved problems and examples. The questions have been hand-picked from the previous years' question papers and are suitable to the current pattern of questions asked.
