Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. 1st World Library-Literary Society is a non-profit educational organization. Visit us online at www.1stWorldLibrary.ORG - Folklore, legends, myths and fairy tales have followed childhood through the ages, for every healthy youngster has a wholesome and instinctive love for stories fantastic, marvelous and manifestly unreal. The winged fairies of Grimm and Andersen have brought more happiness to childish hearts than all other human creations. Yet the old time fairy tale, having served for generations, may now be classed as historical in the children's library; for the time has come for a series of newer wonder tales in which the stereotyped genie, dwarf and fairy are eliminated, together with all the horrible and blood-curdling incidents devised by their authors to point a fearsome moral to each tale. Modern education includes morality; therefore the modern child seeks only entertainment in its wonder tales and gladly dispenses with all disagreeable incident. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
