

Economic Report of the President March 2014: Together with the Annual Report of the Council of Economic Advisers

By United States Government Printing Office

Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.This year s Economic Report of the President describes how after 5 years of grit and determined effort, the United States is better-positioned for the 21st century than any other nation on Earth. We ve now experi-enced 4 straight years of economic growth with more than 8 million new private-sector jobs. Our unemployment rate is the lowest it s been in more than 5 years. Our deficits have been cut by more than half. For the first time in nearly 20 years, we produce more oil at home than we buy from the rest of the world. The housing market is rebounding, manufacturers are adding jobs for the first time since the 1990s, and we sell more of what we make to the rest of the world than ever before. But in many ways, the trends that have threatened the middle class for decades have grown even starker. While those at the top are doing bet-ter than ever, average wages have barely budged. Inequality has deepened. Too many Americans are working harder and harder just to get by,...
