Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The Liaison Committee on Medical Education (LCME) accreditation standards include specific language for medical education programs to have policies and practices, as well as programs and partnerships that will achieve the schools diversity and inclusion goals. This guide, produced by a multi-disciplinary team of experts, provides a roadmap that will not only help you to comply with important diversity standards, but also to pave the way for developing and sustaining a climate and culture of inclusion at your institution. This second edition includes the latest Supreme Court rulings on diversity and education, updated information on the LCME diversity elements, and updated sections in Part II. Also new for this edition is the online toolkit that accompanies the nine essential tasks (information to access the toolkit is found in the guide). The web-based toolkit aids diversity officers by providing directions, context, institutional examples, and resources for navigating the strategic planning process. Part 1 of the guide provides nine essential tasks as a roadmap for the process of diversity and inclusion strategic planning, plus offers key questions to help you think through each task. The online toolkit includes templates you can adapt for your institution and examples of current diversity strategic plans from medical schools around the country. Part 2 identifies specific strategies that could be included in a plan to meet diversity and inclusion goals, tips for working with leadership, and the skills and competencies needed to succeed as a diversity officer. With this guide plus the online toolkit, you will discover: Solid guidance on setting objectives, identifying tasks, and developing action steps Institutional examples and templates to guide each step of strategic planning process Tips to avoid...
