*****. This inspiring book is not just another how to book that you will find in the psychology, finance, business or self-help aisles of your local book store, nor will it be placed solely on the philosophy or spiritual shelves. However, the compelling messages in this fascinating book can easily be found in any of these venues. The universal messages throughout this groundbreaking book are centered on the mysterious theory of the 80/20 law, which approximately 80 percent or more of today's population isn't familiar with. In today's society there is an esoteric 20 percent group of successful dreamers and thinkers who understand the workings of this positive spiritual law, and use it to manage their personal problems, achieving their dreams and goals by using only their own resources. You can now step away from the trivial many and become a part of the vital few who have it all. You will find the answers you seek in Dream It First: The 80/20 Law to Manifestation of Dreams and Goals So...
