Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is for those who are interested in life after death of their own and their loved ones as well as how to help them win liberation, enlightenment and rebirth. The issue of abortion is now a serious problem to many countries in the world. Abortion is not just a private matter but considered an unethical action, even higher in intensity than a murder. The problem is aggravating both in the developing as well as the developed countries with 43.8 million abortions in all over the world, of which 6 million cases belonged to developed countries and the remaining 37.8 million were allocated to the developing countries (2008). So where would these unborn babies spirits go? We should not think that they are just germs of living that have no soul or consciousness inside. These 40 million unborn babies spirits and billions of others will never be liberated and will not be reborn until they can relieve their minds of the fact that somebody destroyed their lives even before they were born and lay in the womb. Moreover, this feud will cause terrible consequences inflicted not only on their parents, but also on doctors and nurses that were involved in the direct killing of these babies. This also explains in part the cause of autism in children. A documentary movie titled *Psychic Vietnam* was shown on BBC Two on May 18, 2006 saying about Vietnam psychics who have the ability to see and talk directly with spirits of the dead. Thanks to their special ability, for tens of years, they have helped many families find the missing remains of their relatives who were dead in wartime. This...
