This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2014. Paperback. Book Condition: New. 276 x 214 mm. Language: English . Brand New Book ***** Print on Demand *****.Although this book is intended to be read by everyone, the primary objective of the Spiritual Journeys Program is to provide a very practical and proven methodology for trained Hypnotherapists to significantly accelerate the spiritual development of their clients, and to then guide their clients to vividly experience and explore in detail their own personal spiritual and soul-level experiences. In these three initial sessions, you will learn to establish a conscious two-way conversational dialog with your own Higher Self and with your personal Spirit Guide. Once this basic foundation has been established, you are well-prepared to begin safely exploring the higher dimensional spiritual realms in one or more of three optional paths of investigation. Journeys 4-6 focus on stepping into your...
