EPISODES OF HISTORY: IN THE STORIES OF THE UNITED STATES AND THE INSURANCE COMPANY OF NORTH AMERICA AS BOUND UP TOGETHER IN NATIONAL ACHIEVEMENT, 1792-1917 (CLASSIC REPRINT)

Brand New Book ***** Print on Demand *****.Excerpt from Episodes of History: In the Stories of the United States and the Insurance Company of North America as Bound Up Together in National Achievement, 1792-1917 The Insurance Company of North America is more than the oldest American joint stock insurance corporation. Its early history is closely interwoven with the history of the government itself and reflects at every step the early struggles of the fathers of the Nation to make the great Republic we have to-day. The North America has therefore veritably grown up out of and with the country itself; its archives teem with entries and records concerning great historical names and transactions connected with places, property and events that occupied the thoughts and inspired the hopes of the makers of liberty and their successors, the makers of the country. It has been thought appropriate to record in episodes, swiftly told, the origin and development of both the Country and the Company, for the interest it might have to the army of loyal agents that represent The North America everywhere, who may care to know its biography.
