

Soar Like a Butterfly: Discover Your Purpose and Fulfil Your Potential

By Ms Donna T Nelson

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 94 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. Every autumn Monarch butterflies in the Northern Hemisphere travel around 3,000 miles on their migration to warmer climates, travelling between 50 to 80 miles a day. This migration takes up to three generations to complete, meaning that the journey is somehow built into their beings - they just know where to go and that they need to move. They ride thermals to fly as high as 11,000 feet and then they soar with the wind, fulfilling their purpose for themselves and for generations to come. Hello and welcome to your guide to exploring and discovering your potential and purpose. This is a step-by-step map to diving deep into your being and finding out who you are and what you want to do in your life. Inside of you is a sparkling seed of possibility and potential waiting to emerge. The things that you love to do, and the way that you enjoy being in your life, are the very things that you were born to be and do. The very things that make your heart sing...

Reviews

It is one of the most popular publications. It really is written in easy words and not difficult to understand. You are going to like how the author wrote this book.

-- **Prof. Evans Balistreri DDS**

Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.
