Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

THE HANDBOOK OF TRADING: STRATEGIES FOR NAVIGATING AND PROFITING FROM CURRENCY, BOND, AND STOCK MARKETS

McGraw-Hill. Hardcover. Book Condition: New. Hardcover. 512 pages. Dimensions: 9.1in. x 6.2in. x 1.7in. Make the post-meltdown markets work for you, using the unparalleled insight of today's top global investing experts! This book provides a collection of papers that examine trading execution, technical trading, and trading strategies, as well as algorithms in different markets (equities, forex, fixed income, exchange traded funds, derivatives, and commodities) around the world. This is particularly relevant given the recent explosion in trading volumes. Tarun Chordia, R. Howard Dobbs Chair in Finance, Goizueta Business School, Emory University This book uses a number of well-respected authors in the area of asset trading. It provides a comprehensive analysis of trading-related issues covering momentum trading, algorithmic trading, the use of technical trading rules, strategies for ETFs, and the role of trading volume. Professor John Cotter, Director of the Centre for Financial Markets, University College Dublin School of Business, University College Dublin The Handbook of Trading is a good reference tool for both practitioners and academics. The contents cover a wide range of topical issues. Professor Robert McGee, Director of the Center for Accounting, Auditing, and Tax Studies, College of Business Administration, Florida International University About the Book: Given today's market volatility, even the most advanced investors can be unsure of their next move. Rather than rely on one or two individuals who claim general knowledge on any given investing topic, you need the advice of professionals who have spent their entire careers developing real expertise on more focused sectors of the market. The Handbook of Trading is the only book available that provides just that. Greg N. Gregoriou has amassed forty of the world's top academics, researchers, and practitioners who explain how to make today's markets work for you. With this highly technical but ultimately practical guide, you have access...
