Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Health Care in Canada, Antonia Maioni, Known for her in-depth knowledge and clarity of style, Antonia Maioni wades into the complicated world of health care in Canada and emerges with a concise roadmap of how the different systems work together. Similarly, a look at the European systems - in particular Britain - shows that while there are similarities like health care delivery free at the point of service, there are also some...
