Partridge India, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Is being bad really that bad? What if something good comes out of it? Pranay is the only son of urban middle-class parents. Since childhood, he has never had any real friends, owing to a boarding school education that kept him shuttling between home and school. A mediocre student at best, his life takes a turnaround when he is sent to study dentistry in a never-heard-of Dental College in South India. It is here that he discovers that he has skills that he never knew he had. The story is one of a young sociopathic adult in an alien environment, battling and manipulating the odds in his favour and eradicating the ragging menace from his new home-Dental College. He strives to be the boss in his banana-republic of a hostel. This is a simple and relatable story that delves into the murky world of ragging in hostels and how the megalomaniac protagonist turns it to his own gain.
