When Jakia had scoliosis surgery, she was forced to deal with her past. Although dealing with her father and her past life was something she never wanted to talk about, God took her into an isolation period that forced her into dealing with everything that made her who she was today. God took her on the ride of her life, and she made a few stops and dealt with the forgiveness of others as well as herself. A Church Girl s Testimony will help you realize that there is purpose in the midst of the pain. This book will encourage you to deal with your past and walk into your future. The road to healing may be long, but you are never alone. It s time to put God first and exercise your faith in him.
