### ***Reviews***

*Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
(Evie Emmerich)

## SIDE-SCROLLERS

Oni Press,US. Paperback. Book Condition: new. BRAND NEW, Side-scrollers, Matthew Loux, Matthew Loux, Brian, Brad and Matt are best described as lovable perpetual losers. They're good guys who just lack direction and are all too happy to be enjoying that lazy time after high school. Their favorite thing to do in life is to play video games, eat junk food and kick around the suburban town they live in. All of this tranquil laziness is interrupted when Brian, Brad and Matt discover that the new girl Amber (of whom Matt is sweet on) is going to that night's big local rock show with Richard, the bully football jock. Determined to steer her away from Richard, the boys are launched off of their lazy rears and forced into a grand adventure. Chased by an irate football team, a vengeful troop of Girl Scouts and a stalking evil cat that may actually be possessed by Satan, our heroes are thrust into a giant rock 'n' roll videogame adventure.
